

Psi sisters,

With the close of another school year, Psi Chapter continues to be one of the outstanding groups on the campus of the University of Oklahoma. All of you know how hard the Gamma Phi Betas work in all aspects of campus and community. We have always had so much pride and you can be certain that tradition is continuing.

In looking at our Psi alumnae base, we have sisters throughout the nation and hopefully this newsletter will find you still interested in your chapter. Keeping you updated is a top priority and we have been criticized in only asking for money. We do care about our members, past and present, and we do seem to always need money. Debt retirement is progressing but we find taking care of our collegians and chapter house continues to be very expensive.

You have read about our many accomplishments and needs and I've hope you've enjoyed reflecting on your times at Psi. Please consider supporting Psi again, or for the first time, knowing that you will be helping your chapter be the best it can be at OU!

In IIKE,

Margaret Pape
